Did You Know?

Use our Fantastix to create your very own "marker" to provide a consistent flow of ink and ability to create custom colors.

Create unique marbled patterns with All-Purpose Ink

1. Spread a thin layer of shaving cream onto an IMAGINE Crafts Craft Mat or other work surface. Using an Ink Dropper, add drops of All-Purpose Ink.
2. Swirl the ink with an Ink Dropper until the desired look is achieved.
3. Place fabric on top of the shaving cream and press gently. Peel fabric off.
4. With a Multi-Purpose Squeegee, scrape shaving cream off the fabric. Iron to heat-set; wait 24 hours before laundering.
