*Project created by Elizabeth Allan*

## Project Instructions

**Step 1** Apply a thin coat of Matte GlazOn with a chisel tip Brushstix to the metal sheet. Let dry.

**Step 2** Stamp the solid leaf in Copper StazOn Metallic over the area of metal that has been brushed with the Matte GlazOn. Let dry.

**Step 3** Apply a thin coat of Matte GlazOn with the Brushstix over the stamped image. Let dry.

**Step 4** Stamp the detailed leaf in Forest Green StazOn directly on top of the solid leaf. Let dry

**Step 5** Apply a thin coat of Creative Medium Vintage over the image with a Brushstix. Let dry.

**Step 6** Trim the image with tin snips and peel away the protective backing.

**Step 7** Create a ring with green florist wire. Wrap copper wire around the ring to add a decorative touch as well as to secure the leaf to the ring.

**Step 8** Add soft bends to the design for visual interest.
