Project created by Elizabeth Allan

Project Directions

Step 1 Stamp Autumn Tree on white cardstock in Onyx Black VersaFine. While the ink is wet, sprinkle the image with clear embossing powder. Tap off the excess powder and heat set.

Step 4 Mask off a small rectangle over the tree with Eclipse Tape (or sticky notes). Apply Bahama Blue Memento ink with a sponge dauber to the exposed window.

Step 2 Stamp Autumn Tree on white cardstock in Onyx Black VersaFine. While the ink is wet, sprinkle the image with clear embossing powder. Tap off the excess powder and heat set.

Step 5 Remove the Eclipse Tape and stamp the sentiment in Onyx Black VersaFine.

Step 3 Color the image with a VersaMarker. While wet, sprinkle with clear embossing powder, tap off the excess powder and heat set.

Step 6 Trim the stamped image to measure 3-1/4 x 4-3/4 inches. Stamp a 1/4 x 4-3/4 inch piece of Grand Canyon cardstock with the grass from Sweet Home in Espresso Truffle Memento ink. Attach the strip to the back of the stamped panel on the right side so 1/8 of an inch of the design overhangs the edge and the total piece measures 3-3/8 x 4-3/4 inches. Attach the artwork to the front of a Les Petites card base. Use one of the leaves trimmed from the side for an embellishing accent.
