## Project Directions

**Step 1** Apply Memento inks directly to the "Silhouette Vines" rubber stamp from lighter to darker- Pistachio, Teal Zeal and then Nautical Blue. Ink the entire stamp thoroughly with the Pistachio ink and then highlight with Teal Zeal and Nautical Blue.

**Step 2** Spray Summer Sky Fireworks! directly onto the inked rubber stamp until the inks just begin to blend together on the surface of the stamp. This creates the watercolor appearance!

**Step 3** Stamp onto white cardstock piece. Hold stamp firmly onto cardstock for 10 seconds to allow all ink to transfer correctly onto the cardstock.

**Step 4** Stamp "Blooming Meadow" and "Butterfly" with Memento Elderberry on top of the background image.

**Step 5** Trim stamped cardstock piece. Adhere to front of card with adhesive of choice.

**INKd** is an ongoing creative project involving ideas, tips, inspiration and other inklings.
