

“Waltzing Fleur” Thank You Card

created by Maureen Cronin

Supplies

From IMAGINE Crafts/Tsukineko

- VersaFine Archival Pigment Ink in Onyx Black
- Embossing Powder in Clear
- Brilliance Pigment Ink in Pearlescent Orchid

Other: Stampotique Waltzing Fleur; Spectrum Noir Alcohol Markers PP3, PL1; “THANK YOU” stamp from Savvy Stamps; Copic Marker BG10 Cool Shadow; Martha Stewart Flower Border punch; Gelly Roll metallic pen in bronze; Cardstock

Directions

1. Stamp the image on cardstock with VersaFine Archival Pigment Ink in Onyx Black, then emboss with Embossing Powder in Clear. Color in the petals, dress and flowers with a combination of the Spectrum Noir pens, starting with the lighter colors and running the darker pinks along the edges.
2. Outline the petals and dress inside the image with metallic gelly roll pen, then outline the entire image with Copic Cool Shadow.
3. I punched a piece of scrape paper with the flower edge punch and adhered to the lower edge.
4. Stamp “THANK YOU” in Brilliance Pigment Ink in Pearlescent Orchid on a hand-cut flag, edge the flag with rose bud and adhere with dimensional tape.
