# Pirate Chest

created by Katie Moran

## Supplies

### From IMAGINE Crafts and Tsukineko

- VersaMagic DewDrop Inks in Pumpkin Spice, Cloud White, Red Magic, Mango Madness, Midnight Black, Ginger Bread
- Memento Marker in Tuxedo Black
- Essential Glue Pad
- Fantastix Brushstix in bullet and brush tips

**Other** Mini wooden chest, rhinestones

## Directions

**1.** Color entire pirates chest using VersaMagic DewDrop in pumpkin spice. Create wood effect by using a bullet tip Fantastix brush to draw horizontal lines with VersaMagic in Gingerbread. Go over lines to blend them with Fantastix brush. Add a little VersaMagic in Midnight Black and blend the color out again. Heat-set as you go to make sure the color won't rub off.

**2.** Using a bullet tip Fantastix brush, fill in the grooves that run diagonal along the top and the front of pirate chest with VersaMagic in Midnight Black.

**3.** Using a bullet tip Fantastix brush, draw a skull and cross bones on the top of box in VersaMagic Cloud White. Add a pirate bandanna with VersaMagic Red Magic.

**4.** Outline and add detail to the skull face and cross bones with Memento Marker.

**5.** Create rivets along the top and front of pirate chest using a piece of paper with a hole punched in it as a stencil. Using a brush tip Fantastix brush, fill in stencil with VersaMagic in Mango Madness.

**6.** Use the Memento Marker to outline the rivets.

**7.** Bling up the pirate's chest by gluing rhinestones all over using the Essential Glue Pad.
